## **Cruise Fleet Mission**

The Mission of the MHYC Cruise Fleet is to promote the use of our boats for the exploration and enjoyment of destinations on and around the water. Our Fleet will provide opportunities for adventure, companionship, and education. We will encourage and assist each other, and boaters of all levels, who own boats of all types and sizes, to leave their home port, and experience Life at Sea.

## Ahoy Cruisers!

We all like to Cruise, but parties are important too. Mark these dates on your calendar for some traditional, and some NEW events! Your Commander of In-Season Events, [Cindy Guest](#), is trying to make sure you have a full summer!

Cindy will share more Details on all of the non-cruising events, as they get closer.

Saturday, May 1

An Evening of Merriment, Scuttlebutt, Spinning Yarns, & Grub.  
Our last Winter Event.  
Open to all Club Members.
